Chicagoland Natural Gas Savings Program

Heating Rebate Request Form

Thank you for your interest in the Chicagoland Natural Gas Savings Program!

Please follow these steps to ensure a streamlined application submission:

1. Please read the complete list of eligibility requirements on the following page and ensure that your installation is eligible for Program rebates.
2. If you meet the eligibility requirements, please complete the table below (note that failure to complete the table and provide required supporting documents will either delay the payment process or result in your application being denied).
3. Make a copy of your completed application to retain for your records.
4. Use the checklist at the bottom of this page to ensure you have included all of the required documentation.
5. Place the original application and a copy of your sales receipt in an envelope and mail to:
 Chicagoland Natural Gas Savings Program
 3800 Watt Avenue, Suite 105
 Sacramento, CA 95821-2672
6. Alternatively, you can submit a rebate application online at: www.conservationrebates.com.
7. Should you need any help, please call the Program's customer service line at: 866-964-7345.

<p>I certify that I have not/will not receive a rebate for the same product or equipment from more than one Illinois investor owned utility or third party energy efficiency program offering rebates or financing funded with ratepayer funds. I certify that I paid for the energy efficient product as reflected on the receipt. I understand that if I am a landlord for the property in which installation occurred, and the gas account for the property is not in my name, I must provide the required information outlined in the Qualifications section of this application to be eligible for a rebate. If I am a commercial customer, I certify that I am taking service from Rate Classification No. 2. I understand that if I have selected the "Contractor" box in the "Make check payable to" section above, I am allowing the contractor listed on this form to collect the Program rebate being offered, and that I will not be receiving any direct rebate because the contractor has provided me an instant discount in the amount of my rebate.</p>
