

Solano County Smart Irrigation Controller Rebate Program

GUIDELINES FOR PROGRAM PARTICIPATION

- Be a water customer in Solano County, have a water service account that has been active for at least twelve months, and use potable water for irrigation. Properties using recycled water or well water do not qualify.
- Landscape must consist of at least **1,000** square feet but not more than one acre of automatically irrigated area and at least four (4) active stations.
- Customer must agree to a free pre- and post-installation landscape water survey in order to participate in the Smart Irrigation Controller Rebate Program. Please call 800-366-6995 to schedule the water survey. This survey needs to be completed prior to installation of your Smart Irrigation Controller to qualify for a rebate.
- Existing irrigation system must be well-maintained and in good working order prior to participation.
- New construction does not qualify.
- Only Smart Irrigation Controllers tested under the Irrigation Association's Smart Water Application Technologies protocol ("SWAT-tested") qualify for the rebate. For more information go to: <http://www.irrigation.org/SWAT/swat.aspx?id=298>
- Each Smart Irrigation Controller must replace an existing traditional irrigation timer.
- Customer must install and program controller per manufacturer's directions and, if applicable, pay the service fee for a minimum of **two** years after installation date.
- Customer must agree to release pre- and post-installation water use records for program statistical purposes.
- Water Agency will rebate 50% of cost of the Smart Irrigation Controller up to a maximum rebate of \$300 for a residential site. SCWA will also pay each qualifying commercial customer a rebate of 50% of the cost of the SMART irrigation controller UP TO 1) \$300 for 1-12 stations, 2) \$700 13-24 stations, 3) **\$1,000** for 25 or more stations.
- This program is for residential and commercial customers.

Note:

Rebates are one-time-only per site, and will be provided on a first-come, first-served basis. Rebates offered are subject to availability of funds. This rebate program may end at any time. SCWA reserves the right to deny any application that does not meet all requirements outlined above. Due to variables beyond the control of SCWA, the Agency cannot guarantee the installation of 'Smart' irrigation timer(s) will result in a lower utility bill. Applicant waives and releases SCWA, participating water utilities, and their contractors or agents from any and all claims and causes of action arising out of the installation and use of this product. SCWA is not responsible for any damage that may occur to participants' property as a result of the program.
