

Roseville Electric

2010 Energy Star® Air Conditioning/Heat Pump Rebate Program Residential Rebate Request Form & Eligibility Requirements

Rebate
Application No.

QUALIFICATIONS:

- **THIS PROGRAM IS FOR RETROFIT ONLY. FUNDS CANNOT BE USED FOR NEW CONSTRUCTION.**
- All equipment must be installed in a residential dwelling receiving electricity from Roseville Electric and must be purchased new at retail price.
- **OFFER IS VALID FROM JANUARY 1, 2010 – JUNE 30, 2010, OR UNTIL FUNDS ARE DEPLETED, WHICHEVER COMES FIRST. ALL APPLICATIONS MUST BE POSTMARKED NO LATER THAN 60 DAYS AFTER INSTALLATION, OR BY 6/30/10, WHICHEVER COMES FIRST. HOWEVER, APPLICATIONS RECEIVED AFTER MAY 31, 2010, CANNOT BE PROCESSED UNLESS FUNDS ARE RESERVED PRIOR TO MAY 31, 2010.** To reserve funds, the customer or contractor must submit a copy of the contractor's proposal to EGIA via fax @ 800-506-9073. EGIA will then confirm receipt and supply the customer or contractor with the reservation code. **WITHOUT A RESERVATION, FUNDS CANNOT BE GUARANTEED.**
- Units must have a thermal expansion valve (TXV) to qualify.
- Both inside and outside coils on a split system must be changed and must match to verify efficiency.
- **NEW:** Air conditioning rebates now require a signed and dated building permit and the Installer Compliance Statement For Duct Leakage and TXV verification (pages 4-5 of Residential Compliance Form CF-6R). You can get this form from your contractor or download it at www.conservarebates.com.
- After installation, please fill out, sign and mail this application. Include copies of receipts that describe the system installed, including cost, model numbers, SEER and EER, and a copy of the building permit and Installer Compliance Statement For Duct Leakage form.

PLEASE NOTE:

- Roseville Electric has partnered with the Electric & Gas Industries Association (EGIA) for the administration of this program.
- **Do not include rebate application with your utility bill.**
- Roseville Electric and EGIA reserve the right to verify both the efficiency and installation of equipment before rebate is issued.
- Roseville Electric and EGIA are not responsible for items lost or delayed in the mail, nor any remittance delayed due to incorrect rebate applications.
- Roseville Electric and EGIA disclaim any and all liability, loss or damage that may arise as a result of the applicant's or contractor's participation in this program.
- Roseville Electric and EGIA are not responsible for any taxes that may be imposed as a result of your receipt of any financial rebates from Roseville Electric.
- Rebates may not exceed the cost of the energy efficient equipment.
- For more program information, or to verify program requirements, please visit www.conservarebates.com or contact the program administrator, EGIA, at 877-419-7271.

Tear here and retain the above section for your records. Return completed portion below with a copy of your sales receipt.

*Thank you for participating in the
Roseville Electric Energy Star®*

Air Conditioning/Heat Pump Rebate Program

Valid on purchases from January 1, 2010 – June 30, 2010, or until available funds are depleted.

REMINDER:

Eligibility Requirements:

- Units must have a thermal expansion valve (TXV) to qualify.
- Copy of signed and dated building permit and Installer Compliance Statement For Duct Leakage form must be enclosed with this application.
- **FUNDS MAY NOT BE USED FOR NEW CONSTRUCTION. THE PROGRAM IS FOR RETROFIT ONLY.**
- A reservation is required. Funds are not guaranteed unless a reservation has been made.
- All rebate requests must provide a receipt and a verification of the efficiency level installed. Rebates will not exceed the cost of the measure.
- All reservations must be submitted by May 31, 2010. For payment, all Rebate Request Forms must be completed and postmarked within 60 days of installation or by **June 30, 2010**, whichever comes first.

Allow four (4) to six (6) weeks from the time we receive your complete rebate request form to process your rebate. If an inspection is required, your rebate will be processed within three weeks of the inspection.
