

Roseville Electric

2010

Rebate Application No.

Energy Efficiency Rebate Program Residential Rebate Request Form & Eligibility Requirements

QUALIFICATIONS:

- All energy efficient equipment must be installed in a residential dwelling receiving electricity from Roseville Electric and must be purchased new at retail price.
- OFFER IS VALID FROM JANUARY 1, 2010 – JUNE 30, 2010, OR UNTIL FUNDS ARE DEPLETED, WHICHEVER COMES FIRST. ALL APPLICATIONS MUST BE POSTMARKED NO LATER THAN 60 DAYS AFTER INSTALLATION, OR BY 6/30/10, WHICHEVER COMES FIRST.**
- To receive the \$100 rebate for the refrigerator (one rebate per household), customer must provide documentation that the new unit is ENERGY STAR® rated and that the old unit has been hauled away and recycled properly by the retailer or disposal company. See the list of qualified models at the program website listed below. See the list of retailers that recycle refrigerators on the Roseville Electric website. Without proof of recycle, the rebate will be \$25 for the purchase of an ENERGY STAR® refrigerator.
- A Roseville Electric customer can receive the \$75 rebate for just recycling an old-working refrigerator without purchasing a new Energy Star refrigerator. Take the old refrigerator to the Placer County Materials Recovery Facility (MRF) or have it taken away by a company that is certified by the State of California as a “Certified Appliance Recycler.” To receive the rebate a receipt from the MRF or from the recycler is required with the application. Check our website for a list of Certified Appliance Recyclers (one rebate per household).
- Not all ENERGY STAR® clothes washers qualify for a rebate. Only high-efficiency models with a Water Factor (WF) of 6.0 or less are eligible. Ask your participating dealer for qualified models or visit the program website listed below.

PLEASE NOTE:

- Roseville Electric has partnered with the Electric & Gas Industries Association (EGIA) for the administration of this program.
- Do not include rebate application with your utility bill.**
- Customer must fill out and sign the application below or apply online at www.conservationrebates.com.
- Roseville Electric and EGIA reserve the right to verify both the efficiency and installation of equipment before rebate is issued.
- Roseville Electric and EGIA are not responsible for items lost or delayed in the mail, nor any remittance delayed due to incorrect rebate applications.
- Roseville Electric and EGIA disclaim any and all liability, loss or damage that may arise as a result of the applicant’s or contractor’s participation in this program.
- Roseville Electric and EGIA are not responsible for any taxes that may be imposed as a result of your receipt of any financial rebates from Roseville Electric.
- Rebates may not exceed the cost of the energy efficient equipment.
- For more program information, to verify eligibility, or to see qualifying product lists, please visit www.conservationrebates.com or contact the program administrator, EGIA, at 877-419-7271.

Visit www.conservationrebates.com to enter your rebate online and to see qualified appliance models. Please remember to mail a copy of your receipt and your confirmation page to the address indicated.

Tear here and retain the above section for your records. Return completed portion below with a copy of your sales receipt.

Mail Form To: Roseville Electric Rebate Program, 3800 Watt Ave., Ste. 105, Sacramento, CA 95821

Be sure to include a legible copy of sales receipt that clearly identifies store name, product, make and model, purchase price and date.

Thank you for participating in the
Roseville Electric
Energy Efficiency Rebate Program

Valid on purchases from January 1, 2010 through June 30, 2010, or until available funds are depleted.

REMINDER:

All rebate requests must include a paid receipt and verification of efficiency level installed. Rebate will not exceed the cost of the measure. Program is subject to funding availability. Rebate levels can change or end at any time.

Qualifying rebate amounts will be credited to customer's account. If the rebate is by check, allow four (4) to six (6) weeks from the time we receive your rebate request form to process your check. If an inspection is required, your rebate check will be processed within four weeks of the inspection. **Your rebate application must be postmarked no later than 60 days after installation, or by June 30, 2010, whichever comes first.**
